Quote

“ With the situation in Iraq deteriorating, and support for the war in the U.S. having all but collapsed, the only real question on the table is how long the U.S. is going to drag out its inevitable pullout of combat forces. And the inevitable moral question that is inextricably linked to that slowly evolving set of circumstances is how to justify the lives that will be lost between now and the final day of our departure.”

Add or change this opinion item's references

This item argues for the position Coalition troops should pull out on the topic Post-invasion Iraq.
