Quote

“The right to file for a writ of habeas corpus, insisting that this authority be exercised, is a crucial check on naked governmental power. It's a check on injustice. In Washington, instead of saluting this cornerstone of freedom, politicians are about to deep-six it for some people without even much in the way of debate.”

Add or change this opinion item's references

This item argues against the position Act should be passed on the topic Military Commissions Act of 2006.
