Quote

“ The new bill, if passed, would further entrench presidential power. At the very least, it would encourage the Supreme Court to draw an invidious distinction between citizens and legal residents. There are tens of millions of legal immigrants living among us, and the bill encourages the justices to uphold mass detentions without the semblance of judicial review.”

Add or change this opinion item's references

This item argues against the position Compromise bill should be passed on the topic Military Commissions Act of 2006.
