Quote

“ You can't blame the Democrats for hurrying to enact their hot-air legislation. The public is finally paying attention, recognizing the global warming crisis for what it is, a giant scam that will cost every American plenty. The globe isn't warming - it's actually cooling, in fact - and there's no crisis.”

Add or change this opinion item's references

This item argues against the position Act should be passed on the topic American Clean Energy and Security Act.
