Quote

“ It is Hamas that perfected the use of the suicide bomb, by which young Palestinians were induced to kill themselves so that Israelis could also be killed. It is somehow apt that Hamas should be forever associated with the suicide bomb, for in a larger sense Hamas has proved to be an instrument of the demise of Palestinians in Gaza.”

”

Add or change this opinion item's references

This item argues for the position Israel was right to attack Gaza on the topic Gaza War.
