Quote “ It was in this context – under a collective punishment designed to topple a democracy – that some forces within Gaza did something immoral: they fired Qassam rockets indiscriminately at Israeli cities. These rockets have killed 16 Israeli citizens. This is abhorrent: targeting civilians is always murder. But it is hypocritical for the Israeli government to claim now to speak out for the safety of civilians when it has been terrorising civilians as a matter of state policy.” ”

Add or change this opinion item's references

This item argues against the position Israel was right to attack Gaza on the topic Gaza War.
