Quote

“Most of the time, employees who want to form a union are threatened and intimidated by their employers. And all too often, if they don't heed the warnings, they're fired, even though that's illegal. I saw this when I was secretary of Labor over a decade ago. We tried to penalize employers that broke the law, but the fines are minuscule. Too many employers consider them a cost of doing business.”

Add or change this opinion item's references

This item argues for the position Act should be passed on the topic Employee Free Choice Act.
