Quote

“ The definition of a good agreement is one that each side can sell to its public, and that’s the case here. The agreement seems broadly positive for the United States and Israel, at the outer edge of what was possible in terms of freezing the Iranian nuclear program and providing daily inspections to check against any trickery. The world is safer from the Iranian nuclear threat today than it was a week ago. ”

Add or change this opinion item's references

This item argues against the position United States should not have signed agreement on the topic Geneva interim agreement on Iranian nuclear program.
