Quote

“ "And how do the unions, and union-backed supporters of the egregious Employee Free Choice Act [...] propose to protect workers from intimidation and harassment? By overturning employees' right to secret ballots in deciding whether to unionize and replacing that long-ingrained feature of American democracy with a "card check" method by which union organizers collect signatures on cards in public and every employee's choice would be known." ”

Add or change this opinion item's references

This item argues against the position Act should be passed on the topic Employee Free Choice Act.
