Quote

“ Our troops have succeeded in improving security conditions in precisely those parts of Iraq where the "surge" has focused. Al Qaeda has shifted its operations to places like Diyala in large measure because we have made progress in pushing them out of Anbar and Baghdad. The question now is, do we consolidate and build on the successes that the new strategy has achieved, keeping al Qaeda on the run, or do we abandon them? ”

Add or change this opinion item's references

This item argues against the position Coalition troops should pull out on the topic Post-invasion Iraq.
