Quote

“ The impact of withdrawing our forces can only give encouragement to the still-dangerous al Qaeda in Iraq (AQI), as well as the Iranians who continue to use Shi'ite militias as proxies to fight U.S. and Iraqi forces. Further, we will have undercut the political groups, clans and tribal leaders who have aligned themselves with us. Every faction will be hedging their bets.”

Add or change this opinion item's references

This item argues against the position Coalition troops should pull out on the topic Post-invasion Iraq.
