Quote

“ Our friends did not have to be left out in the cold to seek Iranian protection. Three years and a won war had given Obama the opportunity to establish a lasting strategic alliance with the Arab world’s second most important power. He failed, though he hardly tried very hard. The excuse is Iraqi refusal to grant legal immunity to U.S. forces. But the Bush administration encountered the same problem and overcame it. Obama had little desire to. Indeed, he portrays the evacuation as a success, the fulfillment of a campaign promise.
