Quote

“ At present, we let those other considerations rule our behavior: We overreact to media sensationalism (which our enemies exploit brilliantly); we torment ourselves over the least mistakes our troops make; we delude ourselves that mass murderers have rights; we take prisoners knowing they'll be freed to kill more Americans - and the politicians and Green Zone generals alike pretend that "it's not whether you win or lose, it's how you play the game." ”

Add or change this opinion item's references

This item argues for the position United States should fight more ruthlessly on the topic Post-invasion Iraq.
