Quote

“ Democrats argue that the present Sunni-Shiite fighting is caused by the U.S. presence. Withdrawal, they argue, would compel all Iraqis to settle their differences by compromise. This argument is so spectacularly at odds with the facts -- principally the fact that the U.S. presence restrains rather than provokes Sunni-Shiite warfare -- that it has to be an argument made in bad faith.”

Add or change this opinion item's references

This item argues against the position Coalition troops should pull out on the topic Post-invasion Iraq.
